

PLAYERS EQUIPMENT AND KIT

If a team is unable to find a sponsor, playing strip comprising of shirt, shorts and socks will normally be provided for each team by the club, and should therefore be ordered through the club kit officer Terry Morris, who will be responsible for purchasing and re-allocation of unwanted kit. The club official kit supplier is K C Sports of Caxton House Stevenage. All kit and equipment purchased with club funds **MUST** be obtained from this supplier.

Sometimes sponsors will insist on purchasing the kit direct rather than through the club, but whatever the procedure adopted any new kit purchased for an eagles team **MUST** be in accordance with club colours as specified in the club rules – royal blue and black striped shirts, black shorts, and black socks. A second change of strip is required and will normally be yellow shirts with black shorts and socks or at the discretion of the team manager.

Club shirts must be numbered and contain the club logo, and may contain the name of a sponsor. The player's name shall **NOT** be printed on the shirt or shorts, or on the back of track suit/ rain tops. Initials can be used instead.

Any unwanted kit and equipment should be returned to Terry Morris, who will reallocate to other teams in the club.

All weather tracksuits and training bibs, water bottles and other types of equipment will usually be provided by the team rather than the club. Team managers are encouraged to obtain sponsors or undertake team fund raising to obtain these items.

Players must wear shin pads at all times.
